INTRODUCTION AND OVERVIEW

In 2011, the General Assembly established the Commission to Study Campaign Finance Law. On December 31, 2012, the Commission issued its final report, which recommended that local governments be authorized to establish their own public financing programs for local elective office campaigns. In 2013, the General Assembly passed, and the Governor signed, the Campaign Finance Reform Act of 2013 (HB 1499), giving county governments, including Baltimore City, the authority to implement such a public campaign financing program.

Pursuant to Maryland Election Law § 13-505, any county in the State may elect to establish a system of public campaign financing for elective offices in the executive and legislative branches of the local government. Any program established under this provision is to be administered by the Chief Financial Officer of the local government and subject to regulation and oversight by the Maryland State Board of Elections.

Only candidates for a covered local elective office are eligible, and participation in the program is voluntary. It's up to the local government to determine the specific criteria that candidates must satisfy to become eligible for the program, and local criteria concerning campaign financing, contributions, expenditures, reporting, and campaign material related to the program may be stricter than those of State law.

BALTIMORE CITY ESTABLISHES A FAIR ELECTION FUND PROGRAM

On November 6, 2018, Baltimore City voters approved Resolution 18-009, which added an amendment to the City Charter, in Article I, Section 15, authorizing the Mayor and City Council to create by ordinance a Fair Election Fund ("Fund"), which allows eligible candidates for Mayor, City Council President, Comptroller, and City Council to receive publicly-funded campaign contributions. Thereafter, on December 2, 2019, the City Council passed, and on January 23, 2020, the Mayor signed Council Bill 19-0403 (Ordinance 12-338), which officially established the Fund.

Among the Fund's stated policies is to diminish the public perception of corruption and build public faith in government and the elections process, increase opportunities for City residents of all races and income to run for office, reduce the influence of large individual and corporate campaign contributions, and foster greater investment and more meaningful public participation in the political process.

COMMISSION'S ROLE IN THE FAIR ELECTION FUND

Although the relevant State law vests the City's Director of Finance with ultimate authority for the administration of the Fund, Baltimore's law also established a City Fair Election Fund Commission ("Commission"). See Baltimore City Charter, Article I, § 15(b) and City Code, Article 5, §§ 11-7 and 11-8. The Commission consists of 11 members, including: six members appointed by the Mayor, three of whom must represent organizations focused on government reform and one of whom must represent an organization advocating for the interest of City business owners; and five members appointed by the President of the City Council. Each member must be a resident of the City; not be a candidate for public office; not be a lobbyist required to register with the City; not be the chair or treasurer for an open campaign account; be a registered voter; and be confirmed by the City Council.

The Director of Finance must consult with the Commission in administering the Fund, including before any funds are disbursed. On or before January 1st of each year, the Commission must issue a report to the Mayor and City Council containing an estimate of the funds necessary to implement the public campaign finance system for the following fiscal year; recommend an appropriation to the fund for the following fiscal year; and make recommendations for dedicated sources for funding (if necessary).

SOURCES OF FUNDING

The Fund is comprised of the following funding sources: (1) money appropriated to the Fund in the annual Ordinance of Estimates; (2) grants or donations made to the Fund; (3) any unspent money remaining in a certified candidate’s publicly funded campaign account after the candidate is no longer a candidate for office; (4) any public contribution plus interest returned to the Fund by a participating candidate who withdraws from participation; (5) interest earned on money in the Fund; and (6) proceeds from relevant fees and fines.

******IMPORTANT NOTICE******

ALL CAMPAIGN ACCOUNTS, TRANSACTIONS, AND PAPERWORK ARE SUBJECT TO AUDIT.

However, these contributions/loans do not qualify for matching public funds and do not count towards the certification requirement. SECTION XIII: RECEIPT OF CONTRIBUTIONS

A separate receipt must be obtained from the contributor with the contributor’s name, residential address, and be signed by the contributor directly or by digital signature. The contributor must also certify Baltimore City residency. Without a receipt of contribution, the contribution will not qualify for matching dollars from the Fund. **Sample below.**

Electronic Contribution Receipt	
Contribution Received By:	XXX for City Council
Contribution ID#:	X
Contribution Received on:	XX/XX/XXXX
Name of Contributor:	X
Amount of the Contribution:	\$150
Contributor Address:	X
Attestation:	
By typing my name in the e-signature block below, I hereby certify the following:	
<ul style="list-style-type: none">• I understand that State and City law requires that a contribution be in my name and be from my own funds. This contribution is being made from my personal credit or debit card account, billed to and paid by me for my personal use out of my personal funds, is not being reimbursed in any manner, and is not being made as a loan. This contribution is not being made from the funds of a business entity, political action committee, labor organization, or other organization or group.• I understand that because Candidate X is participating in Baltimore City’s public campaign finance program, I may not contribute more than \$150 to their campaign during the four-year cycle January 1, 2023 through December 31, 2026.	
E-signature:	
Resident of Baltimore City:	Yes

SECTION XIV: BANK CHECKS

A cancelled check does not qualify as a signed contribution receipt for matching Fund purposes. The contributor must sign and provide a receipt as an additional document acknowledging the contribution to be a qualified contribution for public fund matching.

A qualifying contribution made in bank check form must be printed with a name to match the name on the signed receipt of contribution.

- For example, a bank check has two names printed on the document, with a Baltimore City address, one of the names must be the name of the Baltimore City resident contributor.
- For an additional example, a bank check has two names printed on the document, with a Baltimore City address, the contributor can sign the document using the initials of one of the names printed on the check. (i.e. the name printed on the check is John A. Contributor and signed as J. A. Contributor.)

SECTION XV: DIGITAL SIGNATURES

A contribution receipt from the contributor with a digital signature means a document provided to the State Board where the donor made an affirmative action acknowledging the contribution to a publicly financed candidate. This is more than checking a box. A check mark, as evidence of the signature, will not be accepted.

- For example, evidence that the donor affirmatively typed in his or her initials or name at the time of making the contributions understanding the law and its requirements for making a contribution. The supporting documentation of a digital signature must include a record with a time stamp of when the action occurred. See §1-101(y) of the Election Law Article of the Maryland Annotated Code for a definition of an electronic signature.

SECTION XVI: CERTIFICATION OF CANDIDATE

Once the initial registration and contribution requirements are satisfied to become eligible for public financing from the Fund, all documents to determine certification of a participating candidate must be filed with the State Board. This filing must be completed through the MDCRIS platform. The Board must certify an applicant candidate no later than 10 business days after receiving the following information:

- Receipts for the required number of qualifying contributions and required aggregate total dollar amount;
- A declaration from the candidate agreeing to follow the regulations governing the use of Fair Election Fund contributions (completed at the time of registration);
- A campaign finance report that includes:
 - each qualifying contribution received;
 - each expenditure made;
 - all receipts associated with each contribution and expenditure; and
 - A certificate of candidacy for a covered office.

NOTE: A CANDIDATE MAY SUBMIT ONLY ONE APPLICATION FOR CERTIFICATION FOR ANY ELECTION. IF AN APPLICATION IS DENIED, THE APPLICANT MAY REVISE THE APPLICATION ONCE IF DONE BEFORE THE DEADLINE. OTHERWISE, THE DECISION BY THE BOARD AS TO CERTIFY A CANDIDATE IS FINAL.

SECTION XVII: CERTIFICATION IS ONLY REQUIRED ONCE

A candidate needs only to qualify once in order to become a certified candidate during an election cycle. A certified candidate who accepts a matching public contribution during a primary election becomes a participating candidate for the general election. Certification is not required for both the primary and the general election.

SECTION XVIII: CERTIFICATION FOR GENERAL ELECTION AFTER NOT PARTICIPATING DURING THE PRIMARY ELECTION

The Baltimore City Code doesn't specifically prohibit a candidate from participating in the Fund in the general election if they did not participate in the Fund during the primary election. An example of this situation would be a candidate for a non-principal political party or a candidate participating in an uncontested primary election. However, the candidate must qualify to be a participant during the qualifying period, which ends 45 days before the date of the primary election. Therefore, unless a candidate has qualified to participate in the Fund prior to that date, they would be precluded from participating as a Fund candidate in the general election.

A certified candidate nominated by petition or by a party that is not a principal political party may receive a public contribution for the general election if:

- The candidate’s nomination is certified by the City Board;
- The candidate meets the requirements of certification, including establishing a public financing committee and publicly funded account.

SECTION XIX: CERTIFICATION FOR ELECTIVE OFFICE AFTER PREVIOUSLY QUALIFYING FOR A SEPARATE ELECTIVE OFFICE

If a participating candidate seeks a City elective office different from the one the candidate was certified for during the same election cycle, the candidate must:

- File a statement of withdrawal with the State Board and the Commission;
- Repay to the Director all distribution(s) made by the Fund; and
- Apply for certification with the Board for the new City elective office.

NOTE: THE BOARD’S PREVIOUSLY APPROVED CONTRIBUTIONS FOR THE CITY ELECTIVE OFFICE FROM WHICH THE CANDIDATE HAS WITHDRAWN CAN BE USED TOWARDS THE CERTIFICATION FOR THE NEW CITY ELECTIVE OFFICE.

SECTION XX: PARTICIPATION IN THE PRIMARY ELECTION BUT NOT GENERAL ELECTION

In the event that a certified candidate accepted a public contribution during the primary election and won, the candidate is automatically qualified for the Fund for the general election. If the candidate chooses to withdraw from participation in the Fund for the general election, the candidate must:

- File a statement of withdrawal with the State Board and the Commission;
- Repay to the Director all distribution(s) made by the Fund.

SECTION XXI: HOW TO FILE CAMPAIGN FINANCE REPORTS THROUGH MDCRIS

- The Cash Balance Screen. This screen asks for your account balance. The amount entered must match the balance in MDCRIS. If the balances do not match, start by adding to the committee's balance any uncashed but reported checks. A good practice is to balance the MDCRIS account like a checking account.

The system will send an email to the other officer immediately after it is submitted.

I certify that I have examined this report and to the best of my knowledge and belief it is true, correct and complete.

- If the treasurer’s password is not available, skip over verification of treasurer. DO NOT check the box that states that the treasurer has verified the entry. In addition, the password box must be empty. If it is empty, there will be no dots inside the box.

- Check bottom of screen that states the information is certified and select **SUBMIT**.
- Screen will then state that the report is transmitting.
- Once the report is finished transmitting the program will ask to view or print.

NOTE: IF THIS IS YOUR FINAL REPORT, PLEASE SELECT FILE CLOSEOUT REPORT. AS A REMINDER, A CAMPAIGN ACCOUNT MUST HAVE A \$0.00 BALANCE TO PROCEED WITH FINAL REPORT

SECTION XXVII: REPORTING REQUIREMENTS

All Reports must be filed using the MDCRIS. This program can be accessed using any internet browser, logging in at www.campaignfinance.maryland.gov. Reports for your committee can be filed up to 11:59 p.m. on your filing date deadline. Once your report has been submitted through MDCRIS, an email will be sent acknowledging your submission. Please see the Maryland State Board of Elections website for their mandatory reporting schedule.

NOTE: THE BEGINNING TRANSACTION DATE FOR ALL REPORTS IS THE DAY AFTER THE ENDING TRANSACTION DATE OF THE PRIOR REPORT. THIS INCLUDES FILING ANY OPTIONAL CITIZENS’ ELECTION FUND REPORTS. IF THE COMMITTEE IS NEW, THE BEGINNING TRANSACTION DATE IS THE DATE THE COMMITTEE WAS FORMED.

SECTION XXVIII: FAIR ELECTION FUND REPORTS

A public financing committee may file additional reports requesting public funds. These optional reports can only be filed on the first and third Tuesday of February, March and July for the primary election and of September and November for the general election after the distribution period has begun.

Again, to receive publicly matched funding, the public financing committee must provide to the State Board a campaign finance report that includes:

- each qualifying contribution received;
- each expenditure made by the candidate;
- all receipts associated with each contribution and expenditure.

SECTION XXIX: DISTRIBUTIONS OF PUBLIC FUNDS

After a review of the submission by the State Board, the Director of Finance for Baltimore City is then notified to deposit the authorized matching publicly funded campaign contribution into the certified candidate's publicly funded campaign account. The Director must promptly deposit the funds, after consultation with the Commission.

The Board must determine the amount of a public contribution that each participating candidate is to receive, based on the amount reflected in the receipts as presented to the Board and the formula for the respective City elective office.

NOTE: A CANDIDATE WILL NOT RECEIVE MATCHING PUBLIC FUNDING MONEY FOR: 1) ANY IN-KIND SERVICES, PROPERTY, OR GOODS; OR 2) A CONTRIBUTION MADE BY THE CANDIDATE OR THE CANDIDATE'S SPOUSE.

SECTION XXX: MAXIMUM PUBLIC CONTRIBUTIONS

The maximum public contribution from the Fund to a certified candidate is calculated together for the primary election and for the general election (the election cycle). For example, the maximum a candidate for Mayor can receive is \$1,500,000 in public contributions for the election cycle. The maximum for a City Council President is \$375,000.

A candidate who wins the nomination after receiving City matching funds may continue to receive matching funds from the City up to the maximum amount during a contested general election.

SECTION XXXI: PRIMARY ELECTION RESULTS

Within 30 calendar days after the City Board certifies the results of the primary election, a participating candidate who is not certified to be on the ballot for the general election must return any unspent money in the candidate's publicly funded campaign account to the Fund.

SECTION XXXII: WITHDRAWAL

In the event that a candidate chooses to opt out of the Fair Election Fund, the candidate must file a statement of withdrawal with the Board of Elections and the Commission. See form provided in Section: *Provided Documents*.

Additionally, the following criteria will apply with regard to any public contribution:

- A candidate may opt out of the Fund at any time before a Fund contribution is received by the candidate's publicly funded campaign account.
- If a candidate receives any distributions from the Fund and later withdraws from the Program, for whatever reason, the candidate must return all Fund contribution amounts, including interest. Interest is to be computed using the prime lending rate (published by the Federal Reserve Board as of January 1 in the year in which the distribution is repaid).
- If the funds remaining in the candidate's publicly funded campaign account at the time of withdrawal are not sufficient to repay the Fund, the candidate is personally liable for repayment. However, the Director, in consultation with the Commission, may reduce any personal repayment liability if the withdrawal was due to health reasons or other reasons outside the candidate's control. Personal financial hardship may also be considered.

SECTION XXXIII: PUBLIC FUNDING ACCOUNT INFORMATION

On or before July 1 of the year preceding the primary election, the Director must determine if the amount in the Fund is sufficient to meet the maximum public contributions and qualifying boosts reasonably expected to be required during the next election cycle.

SECTION XXXIV: INSUFFICIENT FUNDS IN THE FUND

If the Director determines that the total amount available for distribution in the Fund is insufficient to meet the allocations required by this section, the Director must reduce each public contribution and qualifying boost to a certified candidate by the same percentage of the total public contribution.

All requests for matching funds will be distributed in the same order in which the requests were received until all requests have been satisfied or funds have been exhausted.

SECTION XXXV: CONTESTED ELECTIONS

Public campaign financing is only available to candidates participating in contested elections. A “contested election” is defined as an election in which there are more candidates for an office than the number who can be elected to that office.

An election does not have to be contested in both the primary and the general election in order to be a “contested election.” The primary and general elections are separate elections and the determination of whether an election is contested is made independently for each election. An election is contested if there are more candidates for the office than the number who can be elected to that office. For example, if there are two Democrats and one Republican running for a single City Council seat in the primary, the Democratic primary election is contested, but the Republican primary is not contested.

The Director must be notified by the Board within five business days from the date that the Board determines that a participating candidate is no longer in a contested election. If a participating candidate is no longer in a contested election, no further distributions to the participating candidate from the Fund can be made.

SECTION XXXVI: ALLOWABLE USES OF MONEY

The allowable uses of money in a publicly funded campaign account are limited to expenses directly related to election campaign activities and expenses incurred during the specific time period for either the primary or general election. Additionally, all goods and services that are received once a candidate has been certified must be paid for out of the candidate’s publicly funded campaign account.

SECTION XXXVII: ADVANCE PAYMENTS AND EXPENSES OR LOANS PRIOR TO NOTICE OF CERTIFICATION

A participating candidate may not pay in advance for goods and services to be used after filing a Notice of Intent with non-qualifying contributions received before filing the Notice of Intent. A participating candidate also may not use any portion of a public contribution to pay for expenses or loans incurred prior to filing the Notice of Intent.

- Example 1: On March 1, 2023, Candidate A contracts with a van manufacturer to build a custom campaign van to be delivered on July 1, 2023, and pays the total cost, \$40,000, at that time. On April 1, 2023, Candidate A files a Notice of Intent with the State Board. On July 1, 2023, Candidate A receives the van. This would be a violation because Candidate A paid in advance for a good that would be used after filing the Notice of Intent.

- Example 2: On March 1, 2023, Candidate B contracts with a web developer to create a campaign website for the cost of \$10,000 and pays in full at the time. On March 21, 2023, the website is completed with an ongoing monthly fee of \$99, which began on March 21, 2023. On April 21, 2023, Candidate B files a Notice of Intent with the State Board. Upon certification and Fund disbursement, Candidate B now pays the monthly website fee of \$99 from the candidate's publicly funded campaign account. This is considered an allowable expense. The candidate does not have pay for a new campaign website, but may not use the public campaign account to "repay" the previously-incurred website expense.

SECTION XXXVIII: PROHIBITED USES OF MONEY

Prohibited uses of money in a publicly funded campaign account include personal use or expenses relating to holding office, payment of a personal endorsement, and the payment of late filing fees.

After certification by the Board, the candidate must not pay for any campaign expenses after filing a notice of intent with the Board to seek public funding with any campaign finance account other than the candidate's publicly funded campaign account.

SECTION XXXIX: TRANSFERS

- A public financing committee may not make transfers to any candidate, political party, or political action committee.
- A political action committee may not make a transfer into a candidate's publicly funded campaign account.

SECTION XL: COMPLAINTS AGAINST USE OF PUBLIC FUNDING

All complaints regarding uses of public campaign funding should be filed with the Commission.

SECTION XLI: MEMBERSHIP OF SLATE

A participating candidate may not be a member of a slate.

SECTION XLII: CONTRIBUTION SURPLUS

All unspent funds remaining in the certified candidate's public financing campaign account must be returned to the Fund at the end of the candidate's contested campaign. For candidates who win a contested primary election and continue on to a contested general election, they may retain the unspent funds and continue to receive eligible contributions up to the general election for the covered office for which they are a certified candidate.

On or before December 31 after the general election, a participating candidate must return to the Fund any unspent money in the publicly funded campaign account.

SECTION XLIII: AUTHORITY LINES

Generally, each item of campaign material must include an authority line, set apart from the other printing or content of the campaign material. The authority line must state name and address (unless the address is on file with the State Board) of the person who is responsible for the production and distribution of the campaign material.

Campaign material includes signs, buttons, letters, tickets, solicitations, radio and television advertisements, websites, social media accounts, bumpers stickers and paraphernalia such as pencils, hats and t-shirts.

The authority line for a public financing committee must contain:

- The name of the Treasurer; and
- The name of the campaign finance entity.

Example of authority line for a committee

Committee to Elect Mary Smith, John Jones, Treasurer

If the material is too small to permit the inclusion of all required information in a legible manner, the material need only contain the name and title of the treasurer.

The Office of the Attorney General has stated that almost no material is too small to permit inclusion of the complete authority line. Accordingly, every effort should be made to include the entire authority line.

Mailings

If there is more than one piece or item bearing the candidate’s name in a mailing (for example, a brochure, a cover letter, a bumper sticker, a reproduction of a newspaper article), each piece must bear the authority line. An envelope that does not include the name of the candidate, the name of the campaign finance entity, or a campaign slogan is not required to contain an authority line.

Campaign Material on Electronic Media

Webpages and Social Media accounts:

Candidates and political committees that have a web page or social media account must place an authority line on the home or landing page of the website or social media account. An authority line is not required after each post or tweet. However, since each post or tweet is considered campaign material, the political committee is required to retain a copy of posts and tweets for at least one year.

Electronic Media Advertisement:

Electronic media advertisement by a political committee is required to have an authority line. If the electronic media advertisement is too small for an authority line then:

- The ad must allow the viewer to click on the ad and take the viewer to a home or landing page that displays the authority line; or
- Register the ad with the State Board.

Examples of electronic advertisement ads deemed too small:

- A paid text advertisement that is 200 characters or less in length;
- A micro bar; or
- A button ad.

Copies of Campaign Material

Each political committee is responsible for publishing and distributing an item of campaign material and is required to keep a sample copy of the item for at least one year after the general election following the date when the item was published or distributed. For each item of campaign material disseminated through the internet, the sample copy may be either a paper facsimile copy or an electronic copy that can be produced as a paper facsimile upon request. These requirements do not apply to a billboard or a sign distributed by a political committee.
